

The Jim Steinman Medley

(All: Turn around)

T,A: Every now and then

I get a little bit lonely

And you're never coming round

(All: Turn around)

T,A: Every now and then

I get a little bit tired

Of listening to the sound of my tears

(B,S,SS: Turn around)

T,A: Every now and then

I get a little bit nervous

That the best of all the years have gone by

(B,S,SS: Turn around)

T,A: Every now and then I get a little bit terrified

And then I see the look in your (A:eyes)

(B,T,S,SS: Turn around, bright eyes)

A,S,SS: Every now and then

I fall a (A:)part

(B,T,S,SS: Turn around, bright eyes)

A,S,SS: Every now and then

I fall apart

(All) And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

(SS,T: all of the time)

I don't know what to do and I'm always in the

dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start to (B,S,SS) night

A, T: Once upon a time I was falling in love

But (All) now I'm only falling apart

There's nothing I can do

A total eclipse of the heart

A,S,SS: There were days when the sun was so
cruel

T,A,S,SS: That all the tears turned to dust

And I just knew my eyes were drying up forever
(A,S: forever)

(B,T: Ahs) A,S,SS: I finished crying in the instant
that you left

And I can't remember where or when or how

And I banished every memory you and I had ever
made

A,S,SS: But when you (all) touch me like this

A,S,SS: And you (all) hold me like that

A,S,SS: I just (all) have to admit

That it's all coming back to me

A,S,SS: When I (all) touch you like this

A,S,SS: And I (all) hold you like that

A,S,SS: It's so (all) hard to believe but

It's all coming back to me

It's all coming back, it's all coming back to me
now

(B,T: ahs) There were moments of gold

And there were flashes of light

There were things I'd never do again

But then they'd always seemed right

There were nights of endless pleasure

It was more than any laws allow

A,S,SS: Baby, baby, baby

A: If I (B,T,A) kiss you like this (S,SS: Kiss you like
this, you like that)

A: And if you (B,T,A) whisper like that

It was lost long ago

But it's (All:) all coming back to me

A: If you (B,T,A) want me like this (S,SS: Want me
like this, you like that)

A: And if you (B,T,A) need me like that

It was dead long ago

But it's (All:) all coming back to me

It's so hard to resist

And it's all coming back to me

I can barely recall

But it's all coming back to me now

All: The sirens are screaming, and the fires are
howling
Way down in the valley tonight
There's a man in the shadows with a gun in his
eye
And a blade shining oh so bright
There's evil in the air and there's thunder in the
sky,
And a killer's on the bloodshot streets
And down in the tunnels where the deadly are
rising
Oh, I swear I saw a young boy down in the gutter
He was starting to foam in the heat

(B,S,SS: oohs) A,T: Oh, baby you're the only thing
in this whole world
That's pure and good and right
And wherever you are and wherever you go
There's always gonna be some light,
(B,S,SS: ahs) A,T: But I gotta get out, I gotta break
out now
Before the final crack of dawn
So we gotta make the most of our one night
together

When it's (all) over, you know,
We'll both be so alone

All: Like a bat out of hell I'll be gone when the
morning comes (A: when the morning comes)
When the night is over, like a bat out of hell, I'll
be gone, gone, gone
Like a bat out of hell I'll be gone when the
morning comes
But when the day is done
And the sun goes down
And the moonlight's shining through
Then like a sinner before the gates of Heaven
I'll come crawling on back to you

B,T: Like a bat out of hell
A, S,SS: All coming back to me (S,SS) now
A: Nothing I can say, a total eclipse of the heart

Repeat x2

B,T: Like a bat out of hell
A,S,SS: All coming back to me now
All: Like a bat out of hell
