

Man In The Mirror

(B,S,SS) Ooh

(A,T) I'm gonna make a change for once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right

As I, turn up the collar on
My favourite winter coat
This wind is blowing my mind
(T: ooh) (A,S) I see the kids in the street
With not enough to eat
Who am I to be blind
Pretending not to see their needs?

(B,T: Ah)
(A,S,SS) A summer's disregard, a broken bottle top
And a one man's soul
They follow each other on the wind ya know
'Cause they got nowhere to go
That's why I want you to know

(All) I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could've been any clearer
If you wanna make the world a better place
Take a look at yourself, and then make a cha-ee-ange
Na na na...

(B,SS: ooh)
(A,T,S) I've been a victim of a selfish kind of love
It's time that I realize
(T: ooh) (A,S) That there are some with no home, not a nickel to loan
Could it be really me pretending that they're not alone?

(B,T: Ah)
(A,S,SS) A willow deeply scarred, somebody's broken heart
And a washed out dream (S,SS: washed out dream)
They follow the pattern of the wind ya see
'Cause they got no place to be
That's why I'm starting with me

(All) I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a
Change!

I'm starting with the man in the mirror
(Oh yeah!)
I'm asking him to change his ways
(We want change!)
No message could've been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
You gotta get it right, while you got the time
Cos when you close your heart
Then you close your, your mind

I'm starting with the man in the mirror
(Oh yeah!)
I'm asking him to change his ways
(We want change!)
No message could've been any clearer
If you wanna make the world a better place
Take a look at yourself and then make that change

Na na na...
Oh yeah!
Na na na....

Yeah! Make that change!
Man in the mirror
Yeah! Make that change!
Man in the mirror
Yeah! Make that change
Man in the mirror
Change
