

## Pet Shop Boys Medley

(All) What have I, what have I, what have I done to deserve this?  
What have I, what have I, what have I done to deserve this?  
What have I, what have I, what have I done to deserve this?  
What have I, what have I, what have I done to deserve this?

When I look back upon my life, it's always with a sense of shame  
I've always been the one to blame  
For everything I long to do, no matter when or where or who  
Has one thing in common too  
It's a, it's a, it's a....it's a sin

(B & T: oohs) And look at the two of us in sympathy  
With everything we see  
I never want anything, it's easy  
You buy whatever I need

(All) Look at my hopes, look at my dreams  
The currency we spent  
I love you, you pay my rent  
Left to my own devices I probably would

I've got the brains, you've got the looks  
Let's make lots of money!  
You've got the brawn, I've got the brains  
Let's make lots of money!

(A, S, SS) Since you went away (B & T: went away) I've been hanging around (B & T: hanging around)

And I've been wondering why (B & T: wondering why) I'm feeling down (B & T: I'm feeling down)

You went away, (B & T: went away) it should make me feel better

(All) But I don't know-o-woah

(A, S, SS) How I'm going to get through? (B & T: What have I, what have I, what have I done to deserve this?)

(A, S, SS) How I'm going to get through? (B & T: What have I, what have I, what have I done to deserve this?)

(A, S, SS) How I'm going to get through? (B & T: What have I, what have I, what have I done to deserve this?)

(A, S, SS) How I'm going to get through?

(A, S, SS) Tell me why (B & T: tell me why)

(A, S, SS) Don't we try (B & T: don't we try)

(All) Not to break our hearts and make it so hard?

(A, S, SS) Tell me why (B & T: tell me why)

(A, S, SS) Don't we try (B & T: don't we try)

(All) Not to break our hearts and make it so hard for our (S) selves?

(All) Ah, ah, u-u, ah...

(All) In a West End town, a dead end world

The East End boys and West End girls (A & T: Sometimes you're better off dead, there's a gun in your hand and it's pointing at your head)

(All) In a West End town, a dead end world

The East End boys and West End girls

West End girls (B & T: What have I, what have I, what have I done to deserve this?)

(A, S, SS) West End girls (B & T: What have I, what have I, what have I done)

(All) West End

(All) Let's take a ride and run with the dogs tonight

In suburbia

You can't hide, run with the dogs tonight

In suburbia, in suburbia

All day, all day, watch them all fall down

All day, all day, domino dancing

All day, all day, watch them all fall down

All day, all day, domino dancing

(B & T: Go west) A, S, SS: Life is peaceful there

(Go west) In the open air

(Go west) Baby you and me

(Go west) This is our destiny

(Go west) Sun in wintertime

(Go west) We will do just fine

(Go west) Where the skies are blue

(All) Go west, this is what we're gonna do

(All) What have I, what have I, what have I done to deserve this? (SS: It's a sin)

What have I, what have I, what have I done to deserve this? (SS: West End Girls)

What have I, what have I, what have I done to deserve this? (SS: Go West)

What have I, what have I, what have I done to deserve this?
