

As It Was

(All) Holdin' me back
Gravity's holdin' me back
I want you to hold out the palm of your hand
Why don't we leave it at that?
(B,T,S: oohs) A: Nothin' to say
When everything gets in the way
Seems you cannot be replaced
And I'm the one who will stay, (All) oh

(A,S) In this world (B,T: in this world), it's just us (B,T: it's just us)
(All) You know it's not the same as it was
(A,S) In this world (B,T: in this world), it's just us (B,T: it's just us)
(All) You know it's not the same as it was
As it was, as it was
You know it's not the same

(A) Answer the phone (B,T,S: answer)
(A) "Harry, you're no good alone
(All) Why are you sittin' at home on the floor?
What kind of pills are you on?" Ooh
Ringin' the bell (S: Ringin')
And nobody's comin' to help
Your daddy lives by himself
He just wants to know that you're well, oh

(B,T,S) In this world (A: in this world), it's just us (A: it's just us)
(All) You know it's not the same as it was
(B,T,S) In this world (A: in this world), it's just us (A: it's just us)
(All) You know it's not the same as it was
As it was, as it was
You know it's not the same

(B,T,A) Go home, get ahead, light-speed internet
(All) I don't wanna talk about the way that it was
(B,T,A) Leave America, two kids follow her
(All) I don't wanna talk about who's doin' it first

(B,T,S) In this world (A: in this world), it's just us (A: it's just us)
(All) You know it's not the same as it was
(B,T,S) In this world (A: in this world), it's just us (A: it's just us)
(All) You know it's not the same as it was
As it was, as it was
You know it's not the same as it was
