

The Greatest Showman Medley

Whoa x3

(Solo:) Ladies and gents, this is the moment you've waited for (whoa)
Been searching in the dark, your sweat soaking through the floor (whoa)
And buried in your bones there's an ache that you can't ignore
(All:) Taking your breath, stealing your mind
And all that was real is left behind

(All:) Don't fight it, it's coming for you, running at ya
It's only this moment, don't care what comes after
Your fever dream, can't you see it getting closer
Just surrender 'cause you feel the feeling taking over
It's fire, it's freedom, it's flooding open
It's a preacher in the pulpit and you'll find devotion
There's something breaking at the brick of every wall it's holding
All that you know, so tell me do you wanna go?

Where it's covered in all the coloured lights
Where the runaways are running the night
Impossible comes true, it's taking over you
Oh, this is the greatest show
We light it up, we won't come down
And the sun can't stop us now
Watching it come true, it's taking over you
Oh, this is the greatest show

~~~~~  
I close my eyes and I can see  
The world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

'Cause every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

~~~~~  
Come alive, come alive
Go and light your light
Let it burn so bright
Reachin' up to the sky

And it's open wide
You're electrified

And the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And we know we can't go back again
To the world that we were living in
'Cause we're dreaming with our eyes wide open
And the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And we know we can't go back again
To the world that we were living in
'Cause we're dreaming with our eyes wide open
So, come alive!

~~~~~  
Woah

Another round of bullets hits my skin  
Well, fire away 'cause today, I won't let the shame sink in  
We are bursting through the barricades  
And reaching for the sun (we are warriors)  
Yeah, that's what we've become

Won't let them break me down to dust  
I know that there's a place for us  
For we are glorious

When the sharpest words wanna cut me down  
Gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I'm meant to be, this is me  
Look out 'cause here I come  
And I'm marching on to the beat I drum  
I'm not scared to be seen  
I make no apologies, this is me

~~~~~  
Woah

~~~~~  
What if we rewrite the stars?  
Say you were made to be mine  
Nothing could keep us apart  
You would be the one I was meant to find  
It's up to you, and it's up to me  
No one can say what we get to be  
So why don't we rewrite the stars?  
Maybe the world could be ours  
Tonight

All I want is to fly with you  
All I want is to fall with you

So just give me all of you  
If it's impossible?  
It's not impossible  
Is it impossible?  
Say that it's possible

---

Some people long for a life that is simple and planned  
Tied with a ribbon  
Some people won't sail the sea 'cause they're safer on land  
To follow what's written  
But I'd follow you to the great unknown  
Off to a world we call our own

Hand in my hand  
And we promised to never let go  
We're walking a tightrope  
High in the sky  
We can see the whole world down below  
We're walking a tightrope

Never sure, never know how far we could fall  
But it's all an adventure  
That comes with a breathtaking view  
Walking a tightrope with you  
With you  
With you

---

I drank champagne with kings and queens  
The politicians praised my name  
But those were someone else's dreams  
The pitfalls of the man I became  
For years and years  
I chased their cheers  
A crazy speed of always needing more  
But when I stop  
And see you here  
I remember who all this was for

And from now on  
These eyes will not be blinded by the lights  
From now on  
What's waited 'til tomorrow starts tonight  
It starts tonight  
And let this promise in me start  
Like an anthem in my heart  
From now on  
From now on  
From now on

And we will come back home  
And we will come back home, home again!  
x8
