

Take That Medley

I....I....

(Oohs)

Solo: Just have a little patience
I'm still hurting from a love I lost
I'm feeling your frustration
Any minute all the pain will stop.

Just hold me close inside your arms tonight
Don't be too hard on my emotions.

'Cause I..... need time.....
My heart is numb, has no feeling
So while I'm still healing
Just try and have a little (ahs) patience yeah
(ahs) Have a little patience yeah

(ahs)'Cause the scars run so deep
It's been hard but I have to believe

You light, the skies up above me
A star, so bright you blind me
Don't close your eyes
Don't fade away
Don't fade away oh-oh

Yeah you and me we can ride on a star
If you stay with me girl, we can rule the world
Yeah you and me we can light up the sky
If you stay by my side, we can rule the world.

All the stars are coming out tonight
They're lighting up the sky tonight
For you
For you
All the stars are coming out tonight
They're lighting up the sky tonight
For you
For you

Yeah you and me we can ride on a star
If you stay with me girl, we can rule the world
Yeah you and me we can light up the sky
If you stay by my side, we can rule the world.
